

# Missouri Assessment Program

## MOST-IMPROVED SCHOOLS

### *Top Ten Schools in Percent of Students Moving into the “Proficient” and “Advanced” Levels (percentage increase from 1999 administration to 2003)*

Prepared by the  
Missouri Department of Elementary and Secondary Education  
April 2004

#### **DATA NOTES:**

- As in 2003, this year's Top Ten Most Improved lists recognize schools for improvement based on the largest net increase in the combined percentage of students scoring Proficient or Advanced from 1999 to 2003.
- Schools with fewer than 10 test-takers or less than 90 percent participation for the specific subject/grade assessment in the base year (1999) or in 2003 were not included in the data set used to prepare this report.
- Schools are grouped by size: 1) schools with fewer than 250 students, 2) schools with 250-500 students, and 3) schools with more than 500 students. Grade configuration may affect the size category in which a school is placed. For example, an elementary school or high school that includes the middle grades was placed in a size category based on the total K-8 or 7-12 enrollment.
- Because the middle grades may be included in an elementary school or high school, elementary schools and high schools appear in the junior high-middle school lists.
- More than 10 schools may be listed for a given size category because, in some cases, more than one school achieved the same percent change.
- Statewide, the percentages of students moving into the “Proficient” and “Advanced” levels since 1999 are as follows:

ELEMENTARY	Comm. Arts	Math
% Change Proficient/Advanced	5.3	1.9
JR. HIGH/ MIDDLE SCHOOL		
% Change Proficient/Advanced	1.9	3.5
HIGH SCHOOL		
% Change Proficient/Advanced	-1.6	2.7

- Building enrollments are provided, as well as the percentage of the school's students receiving free or reduced-price lunch and the percentage of minority students enrolled.

## Elementary Communication Arts (Grade 3), 1999-2003

Schools less than 250 students

School (District)	ENR	% F&RL	% Minority	% Change
